

23RD SESSION OF THE STANDING COMMITTEE
ON PROGRAMMES AND FINANCE

AGENDA ITEM 10

IOM Development Fund

Alessia Castelfranco

Fund Administrator

Department of Migration Management

Feedback from Governments and other Beneficiaries

“The projects help us work in a collaborative way”

“The capacity building provided is eye opening and pioneering”

“The projects leverage our very constrained resources”

“IOM staff on these projects are very committed”

Ex-Post Evaluations: Key Findings of the Projects

+

Relevant & Timely

Strategic e.g. Policy and strategic information

Cost effective (low resourcing, big results)

Pioneering
Most times IOM is the first to do it.

-

Need to continue to strengthen coordination among migration stakeholders

Sustainability
Challenges with post project viability

Knowledge & Skills Transfer always needs be incorporated

Realistic project scope needed
