TWELFTH SESSION

RESOLUTION No. 209 (XII)

(Adopted by the Council at its 112th meeting on 12 May 1960)

**NECESSITY FOR CONTRIBUTIONS TOWARDS
THE COST OF REFUGEE MOVEMENTS IN 1960**

The Council of the Intergovernmental Committee for European Migration,

Recalling Resolution No. 202 (XI) adopted by the Council on 20 November 1959;

Recognizing that the responsibility for assisting refugees in their final resettlement falls upon the entire international community;

Having learned that further funds are required for the transportation of refugees in 1960,

Resolves:

1. To invite the attention of all Member Governments, including those which have already made a special contribution, to ICEM's urgent need for funds to carry out refugee movements in 1960 and to consider the possibility of making a contribution to ICEM for this purpose;

2. To request the Director and Member Governments to take appropriate action, whenever possible, to inform the National Committees for the World Refugee Year in various countries of ICEM's refugee activities and related financial requirements so that these Committees will consider the possibility of allocating a part of their collections for the transport of refugees; and

3. To invite Member Governments to give full co-operation to the Director in order to enable him to obtain and use the most economical suitable means of transport for refugees.
