PLANS FOR THE IOM HEADQUARTERS BUILDING:

ADDITIONAL INFORMATION

**PLANS FOR THE IOM HEADQUARTERS BUILDING:
ADDITIONAL INFORMATION**

1. During its Twenty-seventh Session, the Standing Committee on Programmes and Finance discussed document S/27/13/Rev.1, entitled Plans for the IOM Headquarters building: update 4, and the draft resolution on the new Headquarters building contained in Annex II of the document.
2. During the discussion, Member States expressed their broad support and recommended that the Council adopt the draft resolution, on the understanding that a new paragraph would be added to the preamble clearly indicating that IOM would also be responsible for the cost of moveable assets, as those could not be included in the mortgage arrangements with the host Government for construction costs. Those additional costs were estimated to be about CHF 10.48 million.
3. The amended draft resolution is submitted to the Council for consideration and adoption as document C/111/L/6.
