International Migrants

World Population on the Move

OVERVIEW

- Migration Overview
- IOM's Strategic Priorities
- Making IOM Future Fit

Internal Displacement

Countries with highest number of Internally Displaced Persons

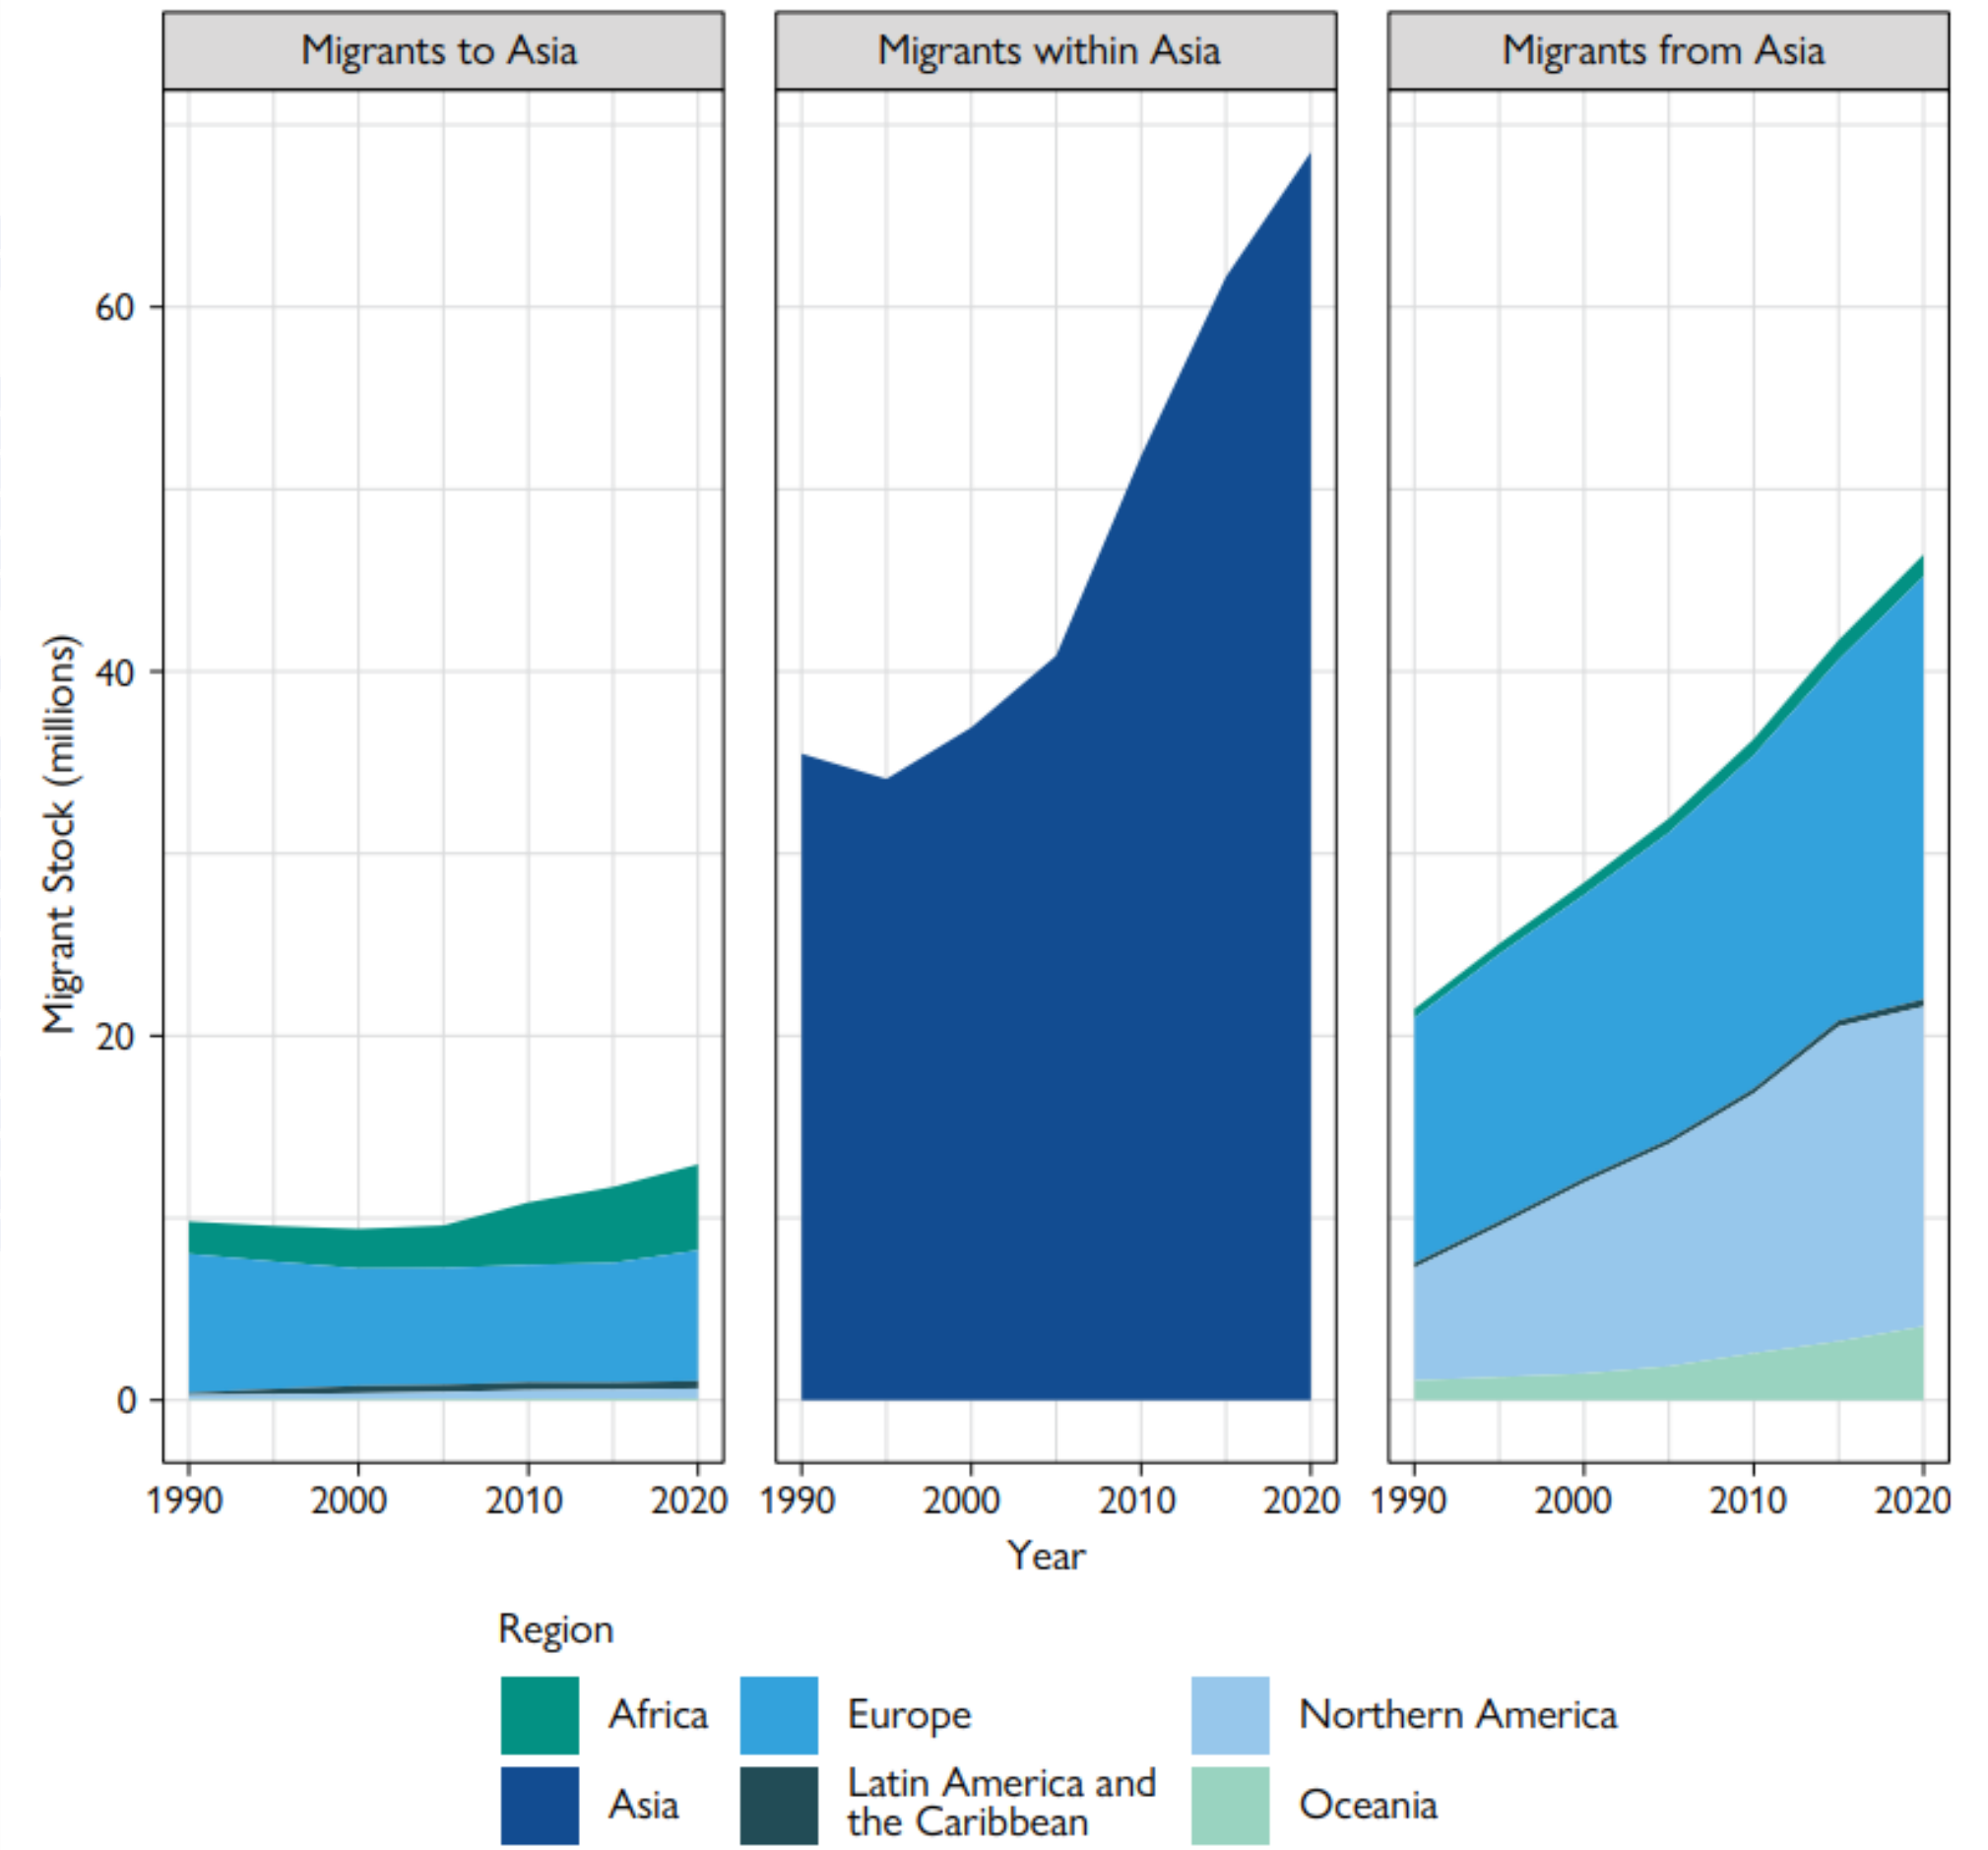

End of 2022 (Global)
71.1 million IDPs

* Revised in 2023

Regional Movements

Migrants to, within and from Asia, 1990-2020

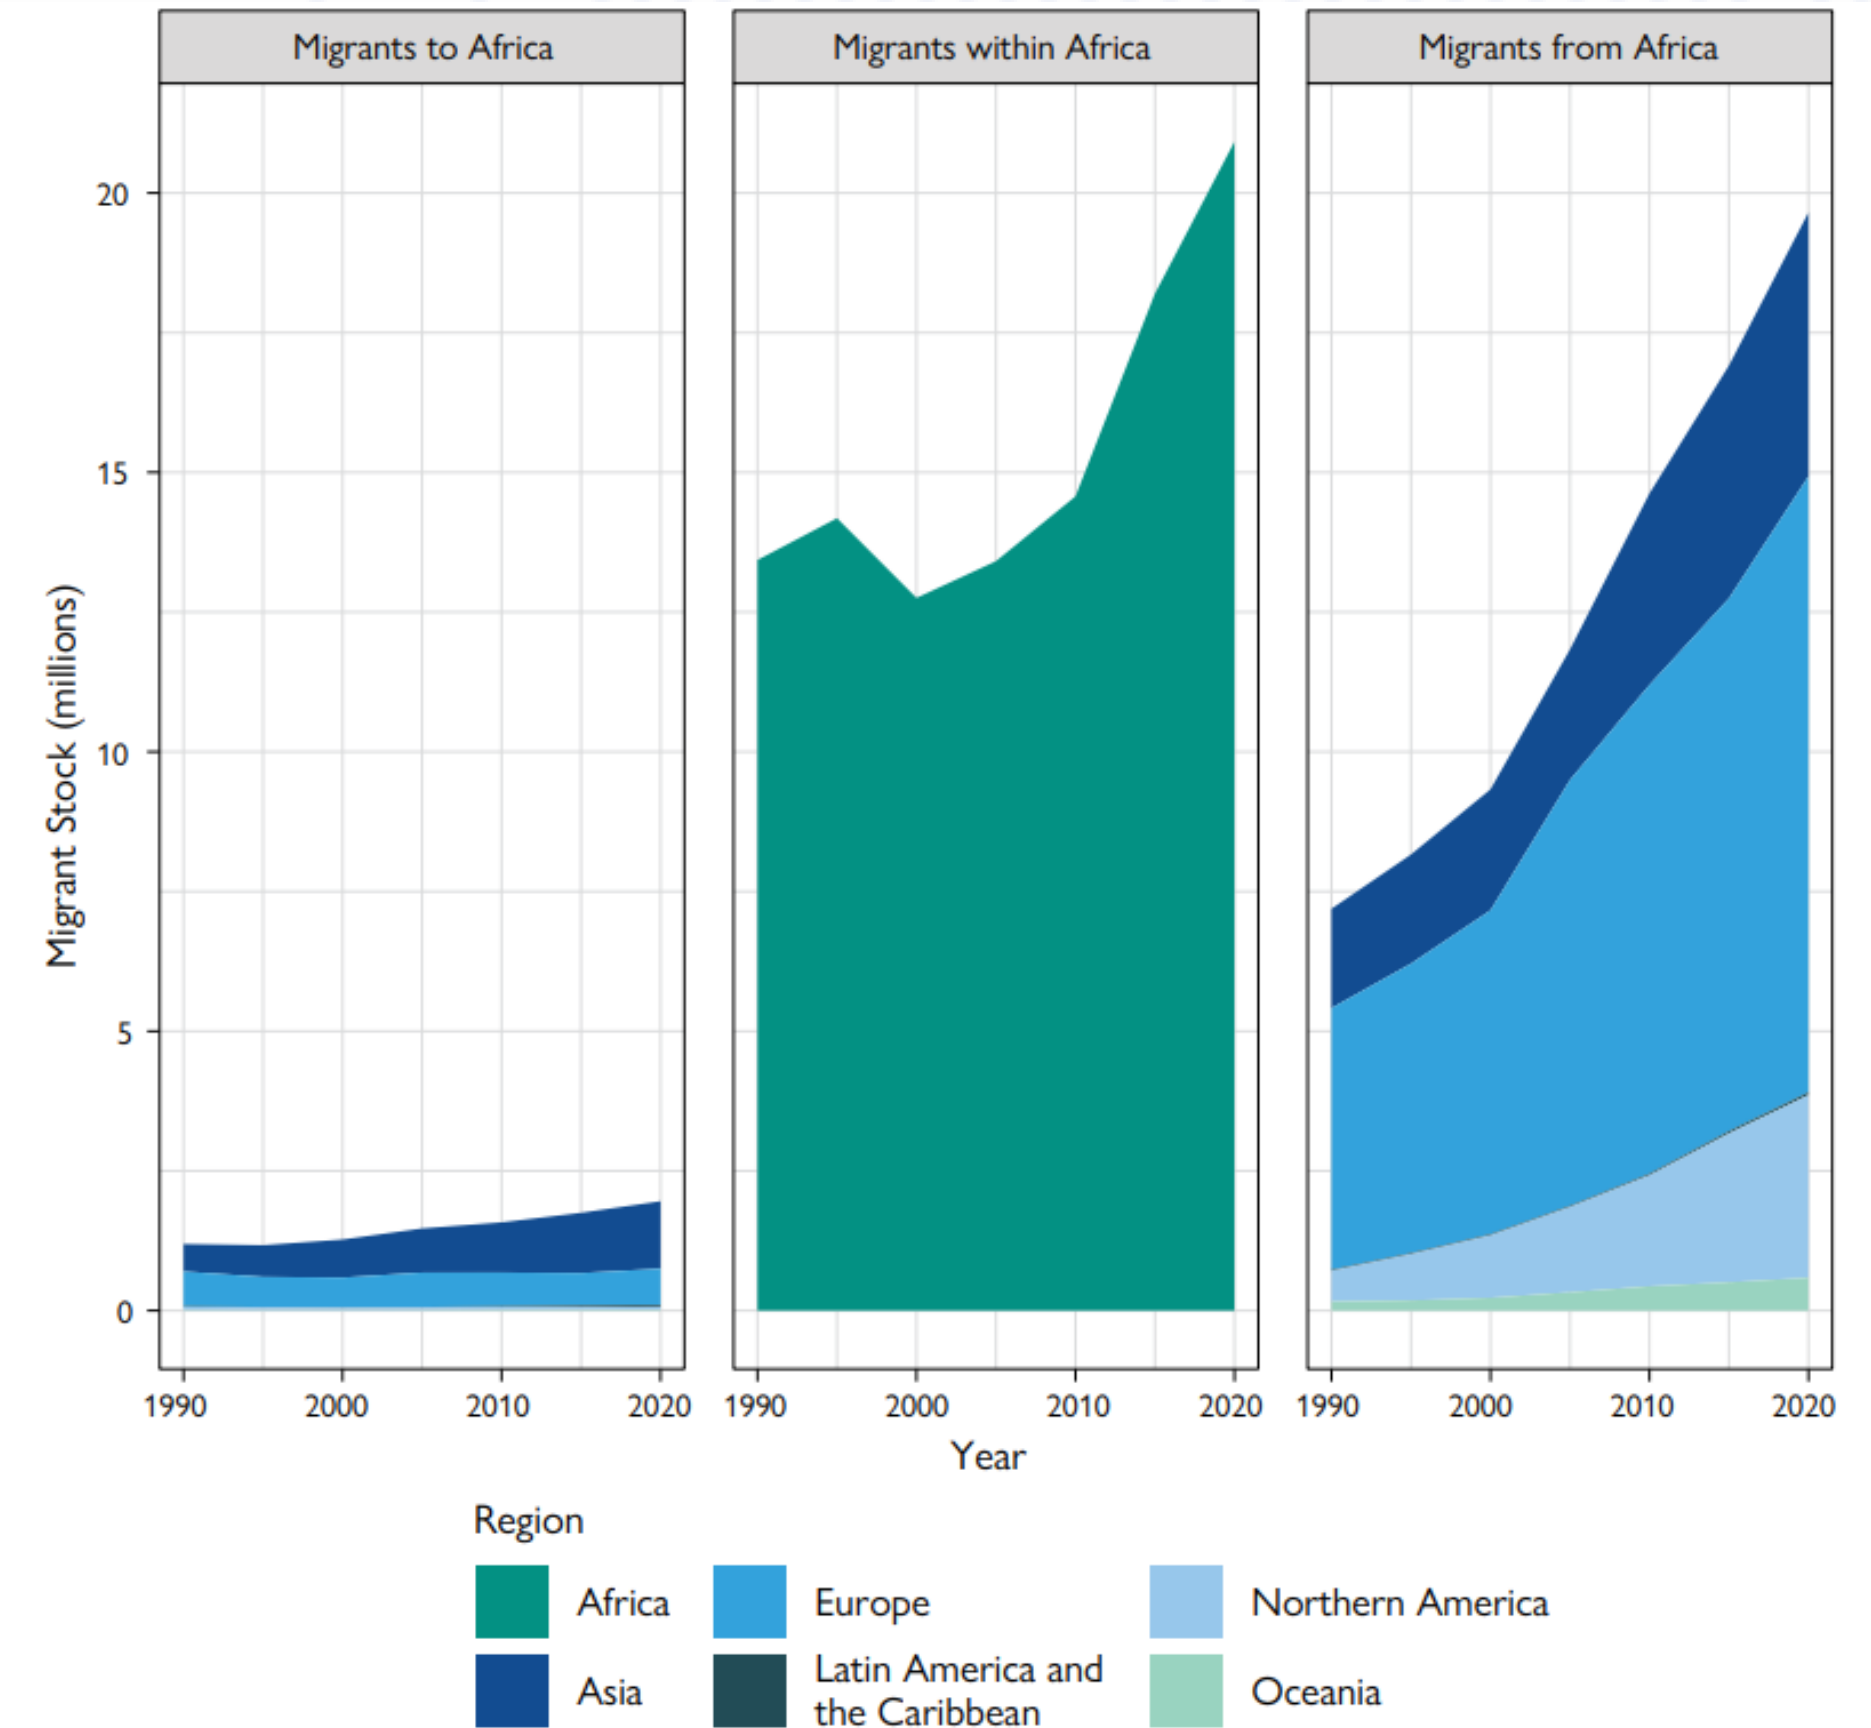

Source: UN DESA, 2021.

Note: "Migrants to Asia" refers to migrants residing in the region (i.e. Asia) who were born in one of the other regions (e.g. Europe or Africa). "Migrants within Asia" refers to migrants born in the region (i.e. Asia) and residing outside their country of birth, but still within the Asian region. "Migrants from Asia" refers to people born in Asia who were residing outside the region (e.g. in Europe or Northern America).

Regional Movements

Migrants to, within and from Africa, 1990-2020

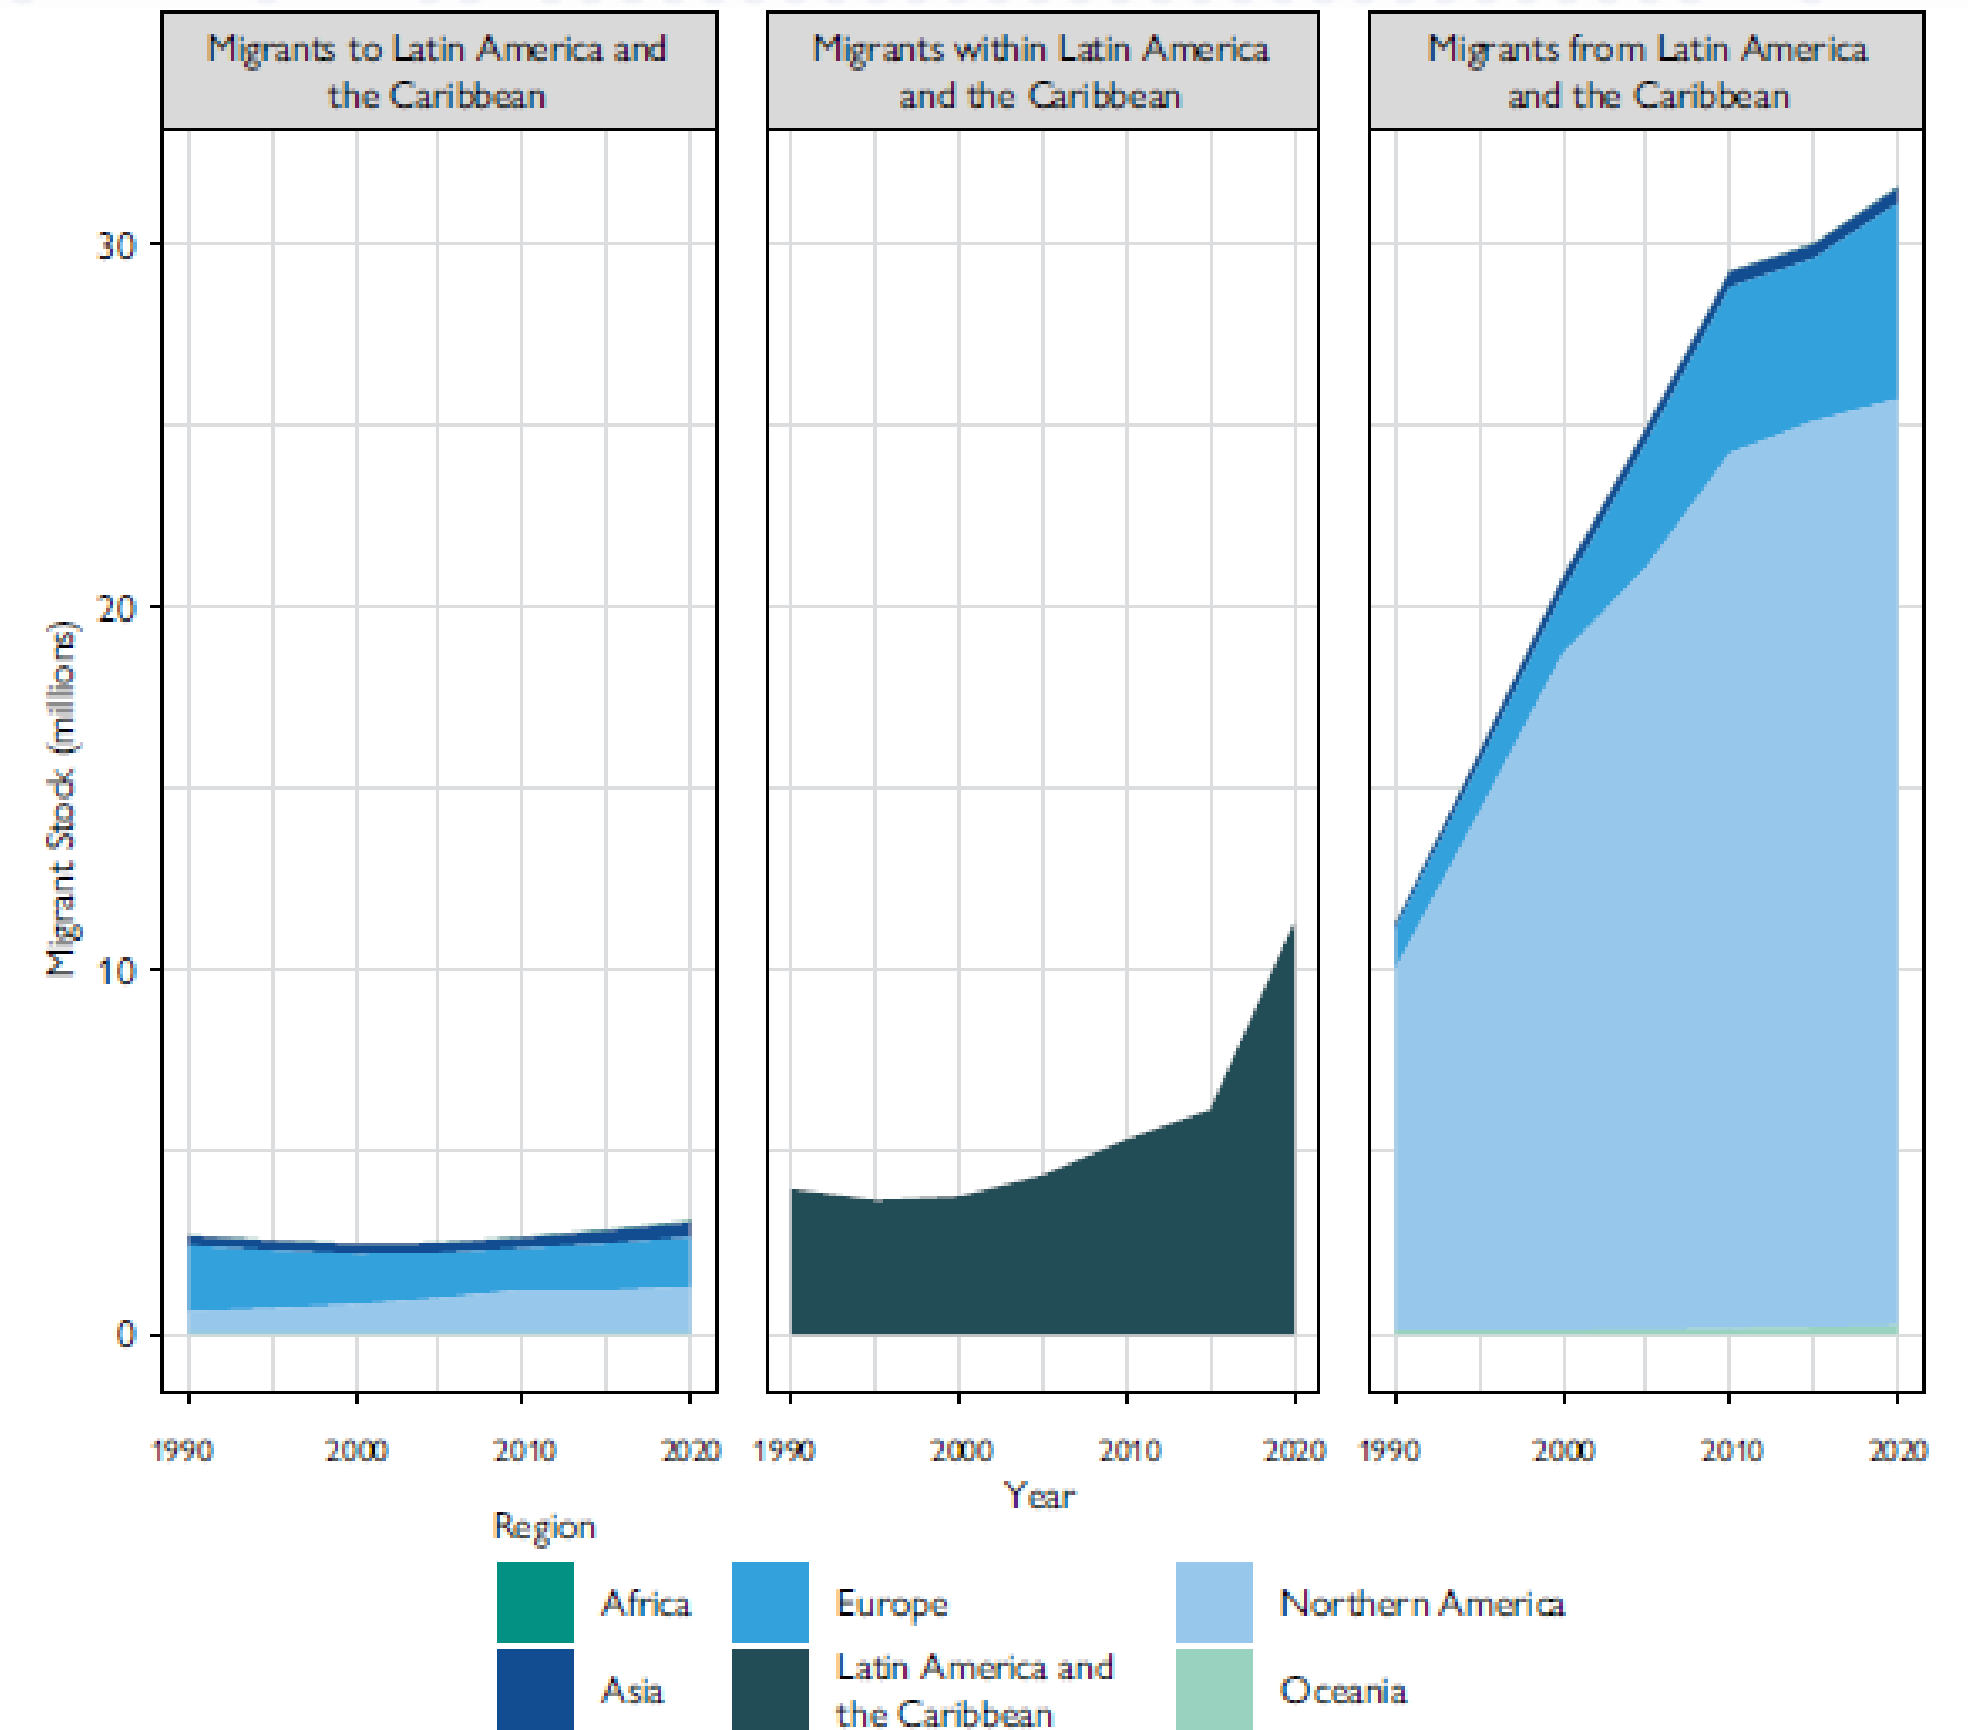

Source: UN DESA, 2021.

Note: "Migrants to Africa" refers to migrants residing in the region (i.e. Africa) who were born in one of the other regions (e.g. Europe or Asia). "Migrants within Africa" refers to migrants born in the region (i.e. Africa) and residing outside their country of birth, but still within the African region. "Migrants from Africa" refers to people born in Africa who were residing outside the region (e.g. in Europe or Northern America).

Regional Movements

Migrants to, within and from Latin America and the Caribbean, 1990-2020

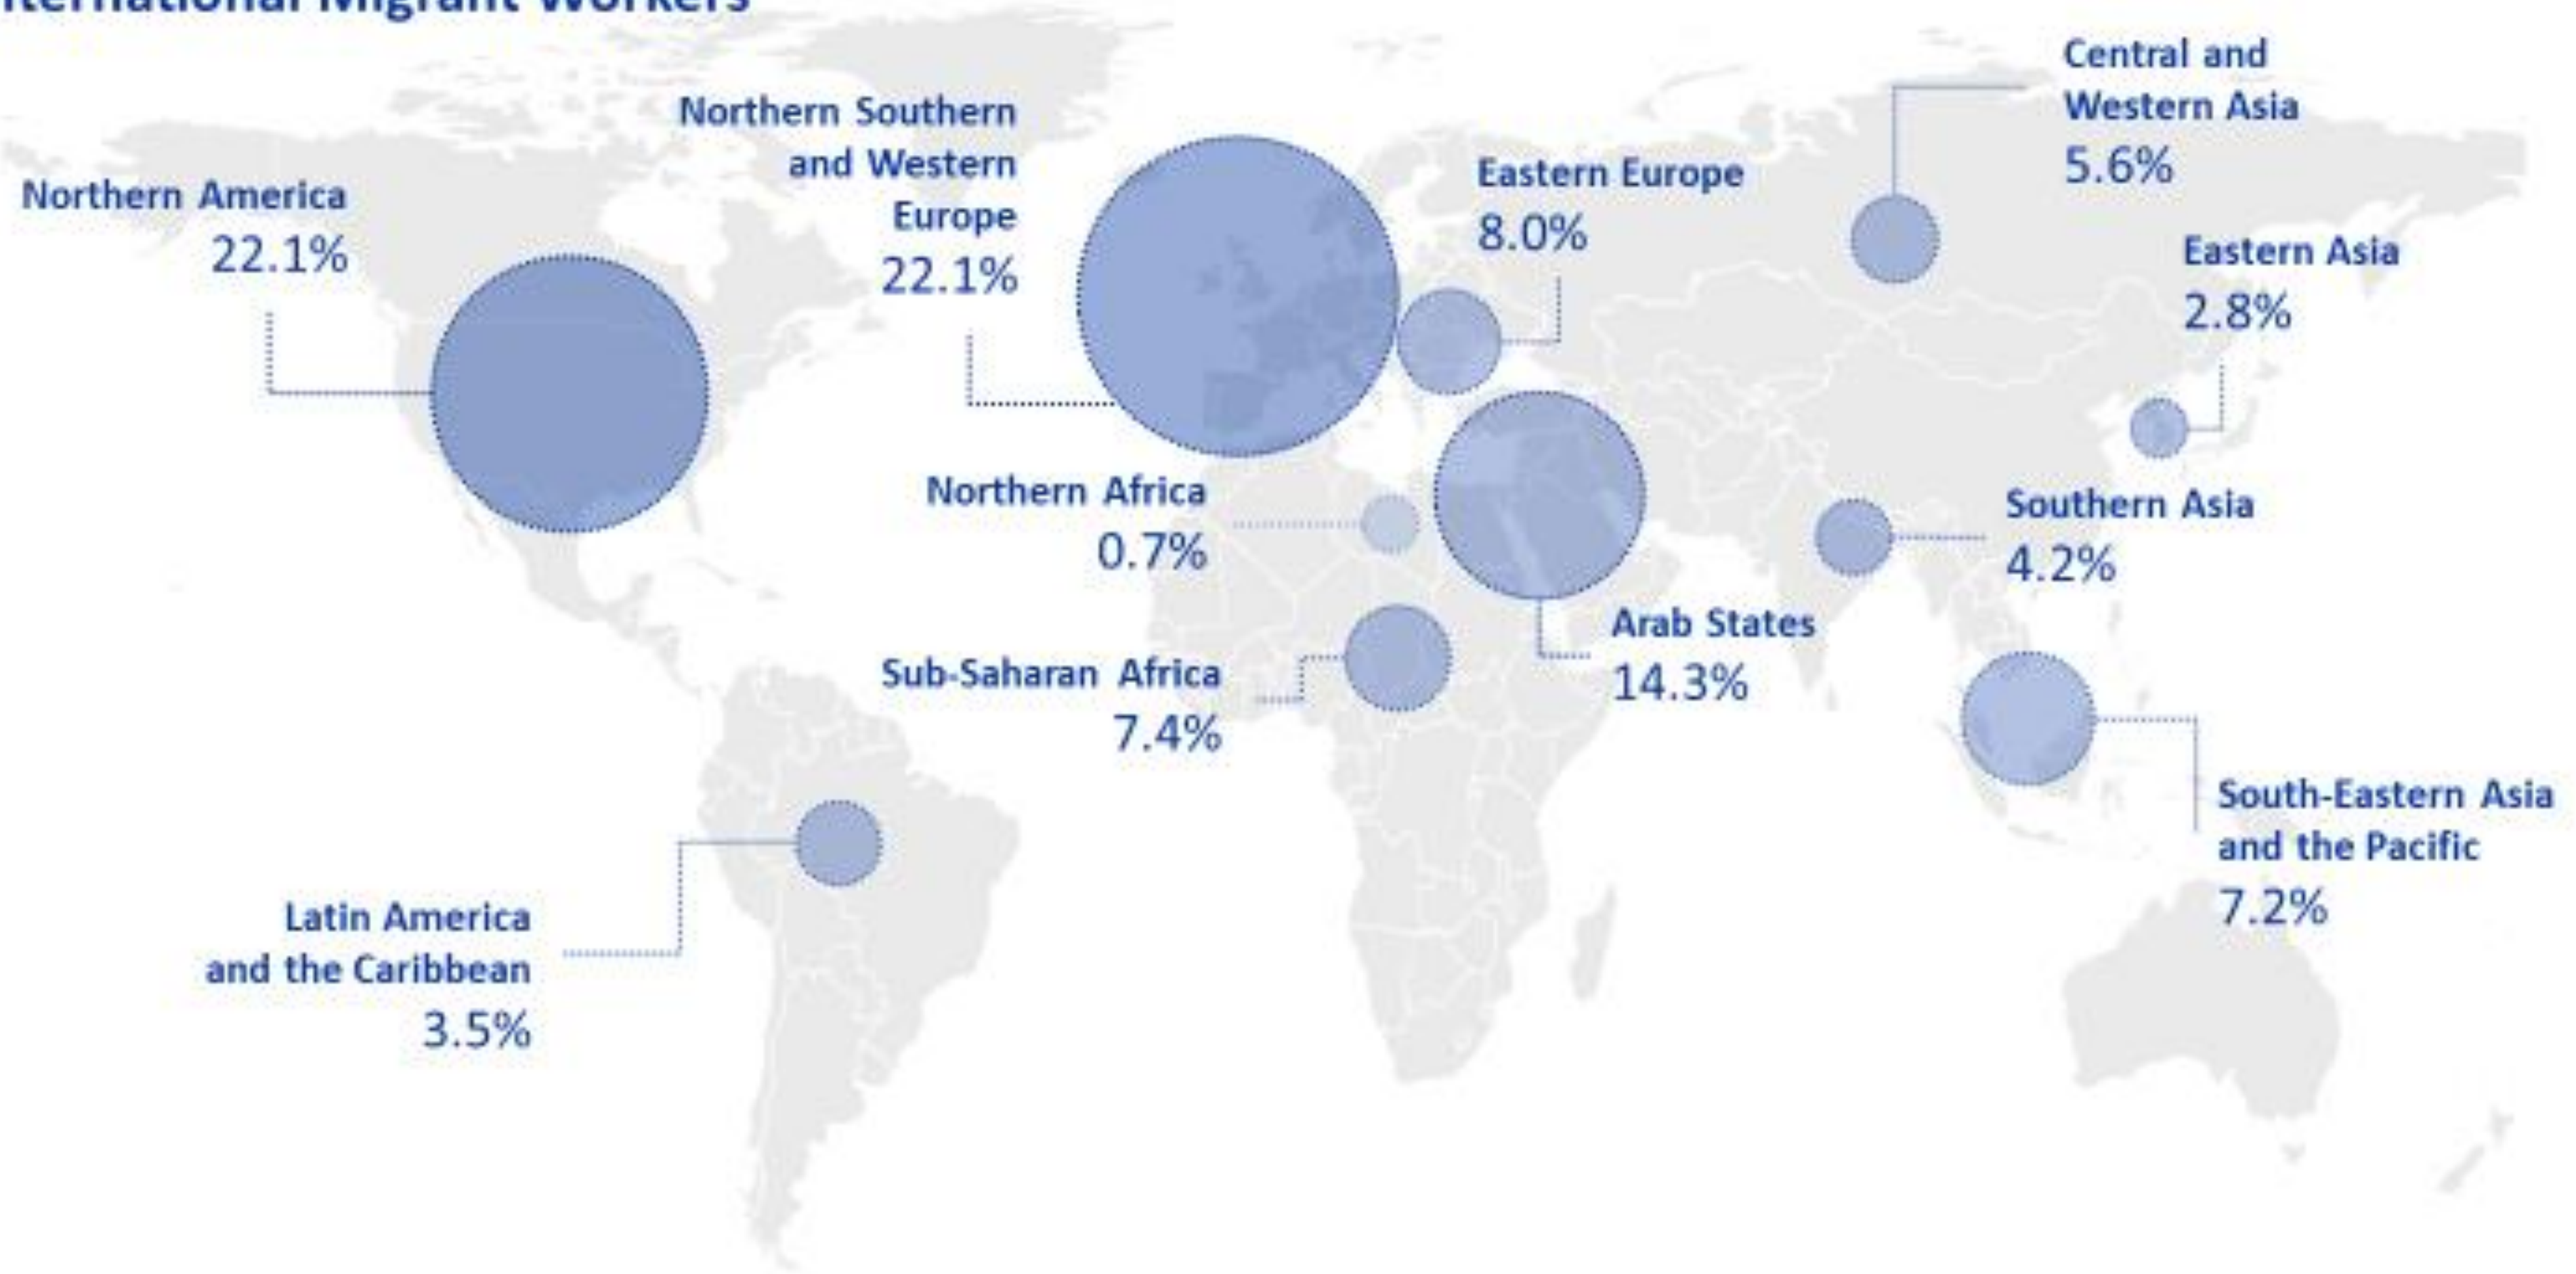

Source: UN DESA, 2021.

Note: "Migrants to Latin America and the Caribbean" refers to migrants residing in the region (i.e. Latin America and the Caribbean) who were born in one of the other regions (e.g. in Europe or Asia).
