Humanitarian Challenges

IOM's Comprehensive Approach

Key Pillars

- Prevention and Preparedness
- Emergency Response
- Recovery and building back

Modus Operandi

- People-centered approach
- Community-based planning
- Partnerships

Enablers

- Data and Analysis
- Multisectoral expertise
- Joined up approach across the HDPN

Objective

- Resilience building
- Long-term solutions for the people and with the people

IOM's Commitments

- Strengthen policy work and support to Governments
- Strengthen disaster prevention and risk reduction
- Invest in data collection, analysis and forecasting
- Increase the capacity of local respondents

Recommendations

- Address the wide-ranging effects of environmental degradation, disasters, and climate change
- Mainstream environmental migration considerations into national adaptation plans and policies
- Explore the recent legislative and humanitarian visa measures that have emerged in the Latin American region

Questions and Answers

THANK YOU
